

PRO-A is a grassroots organization dedicated to improving the lives of all persons affected by alcohol and other drug addiction. PRO-A unites the recovery community through our regional offices, PRO-ACT (eastern region); the RASE Project (central region) and Message Carriers (western region). Our members are persons in recovery, family members and other community supporters. As a member, you will receive our quarterly newsletter and receive information on activities and events in your particular region.

Join us now in our united effort to:

- Overcome barriers to treatment
- Reduce the stigma and discrimination associated with addiction and recovery
- Provide technical assistance for peer-driven support services
- Ensure equal opportunities for all recovering individuals
